The National Association for College Admission Counseling's 73rd Annual National Conference is coming to Boston, MA Sept. 14-16, and we invite you to join us on Friday, Sept. 15 for **Counselors' Preview Day**. NACAC offers nonmember counselors local to the conference a reduced registration of \$50 for the Friday conference events. In addition, New England Association for College Admission Counseling has offered to reimburse the \$50 fee for a limited number of NEACAC members after attending the events on Friday, Sept. 15. [[SIGN UP NOW!](#)] Space will be limited so please register early to reserve your spot.

NACAC, with a membership of more than 14,000, is the only education association comprised of secondary school counselors, college and university admission and financial aid professionals, independent counselors, and others who work with students as they make the transition from high school to postsecondary education. Held in a different city every year, NACAC's National Conference of over 7,500 attendees, is a unique professional development opportunity that will bring unrivaled education, partnerships, networking, resources, and takeaways to Boston this fall.

The 2017 Counselors' Preview Day is designated for our counseling colleagues in Massachusetts who are not already NACAC members and is their opportunity to take advantage of the conference experience at a special free or reduced registration fee. As admission counseling professionals ourselves, we realize that absence from school for professional development may require advance approval, and we wanted to give you ample notice. With this in mind, NACAC has sent this notification to principals as well, to request granting time away from school for this important educational opportunity.

Registration for Counselors' Preview Day includes:

- Three educational sessions (*choose from 48 educational sessions, 6 learning lounges, 1 tech lab or topic hubs*)
- A Counselors' Preview Day Breakfast
- Great networking opportunities with other secondary school counselors and college admissions representatives from all over the country
- The ACCESS College Fair – discover community based organizations
- The Counselors' College Fair – meet representatives of over 500 colleges and universities from around the world
- NACAC Exhibit Hall – preview products and services from over 200 exhibitors
- Continuing education units (CEUs)

We look forward to welcoming you on Friday, Sept. 15 to Counselors' Preview Day at the Boston Convention and Exhibition Center in the Seaport District of Boston.
