

PARTICIPANTS NEEDED

Online survey: School Counselors' Use of Movement in Small Group and Individual Counseling Sessions

What:

Online survey to find out what school counselors are currently doing to incorporate movement and its perceived usefulness. We are also curious about training school counselors have received on movement.

To participate, you **do not** need training on movement. All fully licensed/credentialed school counselors are encouraged to participate!

Questions? Contact Amy Geinert at amy.geinert@ndsu.edu

Who can participate:

Fully licensed/credentialed school counselors
Currently practicing in the US or its territories
